Checking balance: 3505.80
Savings balance: 49,555.05

2026 RAC insurance application was submitted electronically last week via DocuSign. I have not received a response.

The paper society filing form has finally arrived. The province claims that 2023 was not received which makes us liable for being struck. I have a PDF copy of what I sent (via paper mail) but I cannot find a copy of a filing receipt (paper or email). I will head down to Brownlee building in the next couple of weeks to sort this. As a side note, we should be getting all our filing forms and receipts via email as we have an email address (executive@saralink.ca) but we are not. I will ask about this as well.
